Project Name	Smart Fashion Recommender Application

IBM Watson Assistant interface showing the 'Actions' tab. The table lists the following action:

Name	Last edited	Examples Count	Status
Hello	5 minutes ago	2	✓

Web application interface titled "OUR WORK" showing fashion recommendations. A chat window titled "Watson Assistant" is overlaid on the right, displaying a conversation:

Example: See how I can help

I'm afraid I don't understand. Please rephrase your question.

hi

Hello, how can I help you?
